

Counting to 100

Write the missing numbers on the eggs.

A grid of 100 eggs arranged in 10 rows and 10 columns. The eggs contain the following numbers:

						6			
9				14					19
	20				24			27	
			33				37		39
		41			44				48
		52			55				59
	60			63			66		
	71				75	76			79
	80			83				87	
90		92			95				99
									100
