

Comparing and Ordering Money

Carol and her friends visited a clothing store to shop for some dresses. Use $<$, $>$, or $=$ symbols to compare the money in their pouches.

1) Carol has \$ _____

Jane has \$ _____

2) Kelly has \$ _____

Cheryl has \$ _____

3) Diana has \$ _____

Rita has \$ _____

4) Rosa has \$ _____

Hazel has \$ _____

- 5) How much more money does Cheryl have compared to Rosa? _____
- 6) How many friends have more money than Cheryl? _____
- 7) Who has less money, Jane or Diana? _____
- 8) Arrange the amounts in the pouches above \$1 in the correct order from least to greatest.
