## Multiplication within 100

1)

1     5     6     3

Factors with the product 15.

2)

8     2     1     4

Factors with the product 2.

3)

9     2     5     7

Factors with the product 63.

4)

3     7     4     6

Factors with the product 18.

5)

6     3     2     9

Factors with the product 12.

6)

2     1     7     8

Factors with the product 8.

7)

7     5     9     2

Factors with the product 35.

8)

4     6     8     1

Factors with the product 48.

9)

1     8     8     5

Factors with the product 5.

10)

2     1     4     7

Factors with the product 14.

11)

2     8     1     9

Factors with the product 9.

12)

1     2     5     4

Factors with the product 10.

13)

7     6     4     5

Factors with the product 30.

14)

3     6     2     4

Factors with the product 6.
