Perimeter of an Isosceles Triangle

Find the missing side of an isosceles triangle from the given information.

Perimeter = 20 cm, side 1 = 6 cm, side 2 = 8 cm

Side 3 = _____

Perimeter = 17 m, side 1 = 7 m, side 2 = 5 m

Side 3 = _____

Perimeter = 38 m, base = 10 m

One of the equal sides = _____

Perimeter = 40 cm, one of the equal sides= 17 cm

Base = _____

Perimeter = 25 m, base = 9 m

One of the equal sides = _____
