

**Skip Count - 2s to 5s**

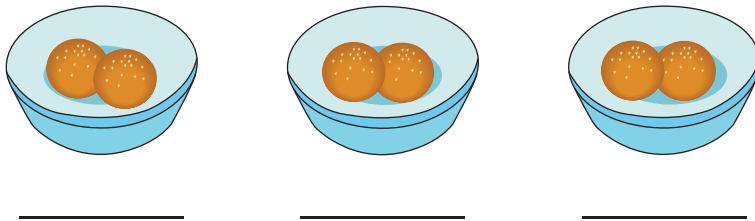

1) Count by 5s and write how many candies there are in total.

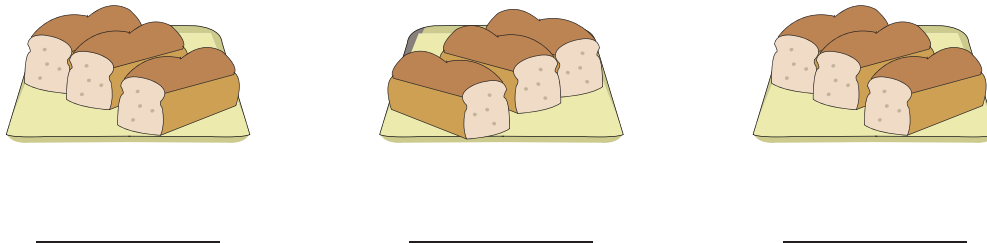

2) Count by 3s and write how many neckties there are altogether.

3) Count by 2s and write how many cookies there are.

4) Count by 3s and write how many loaves of bread there are in total.

5) Count by 4s and write how many mushrooms there are.
